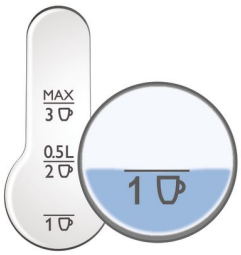
Highlights

One cup indicator



Enabling consumers to boil the amount of water they need, and therefore saving of up to 50% energy and water, contributing to a better environment.

Pilot light

Elegant blue light incorporated in the on/off switch indicates when the kettle is on.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding steam contact.

Flat heating element

The stainless steel concealed element of the Philips kettle ensures fast boiling and easy cleaning.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready.

Water level indicators

Easy to read water level indicators on both sides of the Philips electric kettle for left and right handed use.

Stainless steel finishing

Robust metal kettle with brushed stainless steel finishing
