Enjoy good filter coffee with this reliable Philips coffeemaker with a smart and compact design for easy storage.

Easy to experience

- Water level indication for easy filling
- Drip stop to pour a cup of coffee whenever you like
- Cable storage for easy placement in your kitchen
- Swing filter holder for easy filling of coffee
- LED power switch
- Dishwasher-safe parts for easy cleaning

Compact design

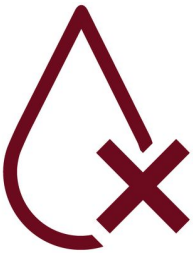
- Compact design perfect for 2 - 7 cups

Highlights

Water level indication

Fill the water tank easily and precisely with the water level indication.

Drip stop



The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Cable storage

Spare cable can be stored in the cable compartment under the coffee maker. It enables placing the coffee maker nicely in your kitchen.
