Highlights

Full-sized trimmer
Use the full-size trimmer without a comb to complete your style and get clean, sharp lines around the edges of your beard.

Beard and stubble comb
Trim your beard to exactly the length you want, by locking in the setting that suits your desired look. The beard and stubble comb offers 18 length settings from 1 mm to 18 mm, with precisely 1 mm between each setting.

Detail trimmer
Create fine lines, contours and details to define or change your style.

Detail comb
Precisely comb and trim your eyebrows and sideburns for a finished look.

Nose trimmer
Remove unwanted nose and ear hair, easily and comfortably.

Hair comb
Keep your haircut in style, or create a new one, by trimming to different lengths. The hair comb offers 18 length settings from 3 mm to 20 mm, with precisely 1 mm between each setting.

Skin-friendly blades

Get a gentle trim that is high on performance. Blades are self-sharpening and made of finely ground chromium steel, giving you lasting performance. Their rounded tips and combs ensure smooth, protected contact with your skin.

60-min run time, 10-hr charge

NiMH battery

Our new blades reduce friction to give you up to 70% more run time than previous models.

Fully washable
Simply rinse the blades and combs after each use for long-lasting performance.

Built to last

WORLD-WIDE 2 YEAR GUARANTEE · 100 ⇄ 240 VOLTS · OIL

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
