Highlights

Plug and play

Simple and quick do-it-yourself project with no wiring required and no need to replace your existing ballast.***

Bright white light

This bulb has a color temperature of 3000K providing you with a bright, warm light, perfect for creating an inviting ambiance to host friends or wind down with a book.

Similar to linear fluorescents

The perfect quick and easy replacement for T8 linear fluorescent tubes. It fits directly into standard T8 linear fluorescent G13 sockets.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.
