Suitable for use in enclosed fixtures and Ideal for any room in your home.

### Energy saving

Enjoy the energy-savings of LEDs without sacrificing light quality

### Standard bulb replacement

Philips 60-Watt Equivalent Classic Glass LED A-shape light bulbs are a smart energy saving alternative to your standard incandescent with a classic glass design. This Philips 7-Watt LED A19 household light bulb is the perfect replacement for anywhere traditional light bulbs are used, such as table or floor lamps. It provides a light similar to natural daylight, perfect for your living room, bedroom, kitchen or any place in your home where you would use a standard incandescent light bulb.
