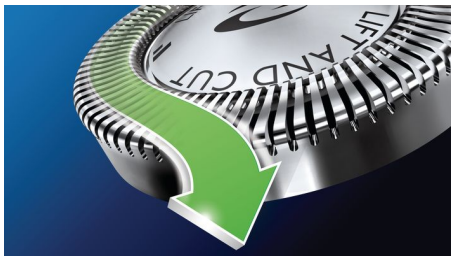
Highlights

Lift & Cut blades



The Lift & Cut dual blade system lifts hairs to cut comfortably below skin level.

Dynamic Contour Response

Automatically adjusts to every curve of your face and neck for a smoother shave.

45+ shaving minutes

An energy-efficient, powerful lithium-ion battery gives you more shaves per charge. You'll have 45+ minutes of shaving time - that's around 15 shaves - after 8 hours of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

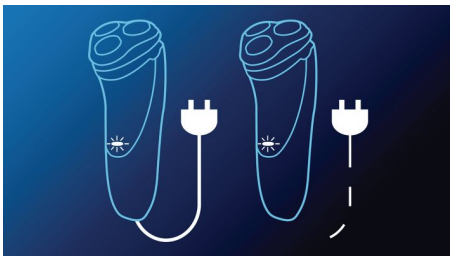
Fully washable shaver

Simply pop the heads open, and rinse thoroughly under the tap.

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Efficient power System



Can be used corded and cordless

LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge
