Highlights

Pressurized Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema – whatever coffee blend you may choose.

Ground coffee and pads

For your convenience you can choose between ground coffee pads

15 bar pump

High pressure ensures that the ground coffee entire aroma is always fully extracted

Cup holder

With this pratical feature you can store your espresso cups and glasses right on the espresso machine - always within reach and conveniently stored without taking up space.

Ergonomic in day by day

Refilling coffee powder or water, emptying the filter or the drip tray. All compartments are directly accessible for maximum convenience.

capuccinatore
semi-automatic milk management

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a “Pannarello”. It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!
