Highlights

Plug and play

Simple and quick do-it-yourself project with no wiring required and no need to replace your existing ballast.***

Similar to linear fluorescents

The perfect quick and easy replacement for T8 linear fluorescent tubes. It fits directly into standard T8 linear fluorescent G13 sockets.

Instant on

INSTANT ON

Just by flipping the switch, your room is at full brightness. No slow starting or waiting.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.
