- Philips Vision headlights are DOT compliant
- Don't compromise on safety, change in pairs

Innovative automotive lighting solutions

- Philips is the choice of all major car manufacturers.

PHILIPS

car headlight bulb
H1 55 W, 12 V

Highlights

Greater safety and comfort

Our Vision upgrade headlight bulbs produce a longer light-beam projection for greater safety and comfort.

High quality upgrade headlight

Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.

Street-legal

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Replace in pairs

It is simply more efficient to change both headlamps in pairs, rather than only replace the failed one. New, modern bulbs have increased light output and increased performance, offering a safer driving experience. Overall, the benefits and advantages of replacing in pairs are numerous: less hassle, cost savings, avoiding headlight failure, a brighter and more balanced beam, but above all, safety.

Original equipment quality

For over 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern cars. Today, one in three cars worldwide is equipped with a Philips light source.

Specifications

Packaging Data

- Packaging type: B1

Electrical characteristics

- Voltage: 12 V
- Wattage: 55 W

Ordering information

- Order entry: 400h

Product description

- Type of lamp: H1
- Application: High beam, Front fog
- DOT Compliant
- Range: Vision
- Technology: Halogen
- Base: P14,5s

Packaging Data

- Packaging type: B1
- EAN1: 046677717148

Marketing specifications

- Expected benefits: More light
- Product highlight: Up to 30% more vision

Issue date 2020-02-04

Version: 11.0.2
