Highlights

Red intense bright light

High power red intense LED car light. Stylish and safe as the latest cars

ECE beam pattern compliant*

Similar or better beam pattern than standard halogen lamp, to see and be seen better. * There is no ECE regulation existing for LED bulbs. ECE beam pattern compliance is tested on several commonly used luminaires where the LED bulb beam pattern matches the ECE approved halogen beam pattern

Faster response time

In comparison to conventional light bulbs, Vision LED helps you to signal other road users even faster. When driving at a speed of 100 Km/hr, the benefit for the other road users could lead up to 8 meters extra anticipating distance.

12 year lifespan

High heat and vibration resist

3 year limited warranty

3 year limited warranty for consumer usage
