### **Optimised light diffusion**

- 180° homogenous light diffusion

### **Ultra-bright LED for ideal illumination and style**

- 25 lm of limitless LED power
- 5500 K daylight white light

# Highlights

## **bright white light**

The new Philips Vision LED interior lights provide a 6000 K bright white light and a wide beam angle to illuminate your interior in style. This interior LED can be used for interior (dome light, boot, glove compartment) and number plate lighting applications.

## **Long-lasting LEDs**

The Philips Vision LEDs are designed to outlast your car. They provide a perfect geometrical fit and their 12 year lifetime is simply unmatched.

## **25 lm of limitless LED power**

Perfectly illuminated car interior and number plate with 25 lm of powerful LED light.

## **5500 K daylight white light**

Whether installed in the car's interior or fitted to the number plate, the daylight white light with 5500 K colour temperature provides a sophisticated LED look to make your car stand out.

## **Homogenous light diffusion**

Smartly designed frosted lens ensures the LED light is uniformly diffused in your car interior and on your number plate.

## **Outstanding robustness**

High-class, robust design provides enhanced resistance to shocks and vibrations.
