# Highlights

## Dimmable

Adjustable light intensity with dimmer switch. This makes Philips SmartSpot lighting fixtures ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living-room or offering functional light in corridors for example.

## Extremely long life

Extreme long-life with reliable performance. Philips SmartSpot lighting fixtures are based on high power LED lights that last up to 20.000 Hours, while providing their best light output.

## Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

## Cool white light effect

Light up your home with cool white light effects thanks to the latest LED innovation. Philips introduces the latest generation of cool white light high power LEDs, reaching a color temperature of 4000 Kelvin. This innovation brings our luminaires to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

## Warm white light effect

Light up your home with warm white light effects thanks to the latest LED innovation. Philips introduces the latest generation of warm white light high power LEDs, reaching a colour temperature of 2700 Kelvin. This innovation brings the Philips lighting fixtures to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.
