Recessed spot light  
Asterope aluminium, LED

# Highlights

## High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

## 5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy

light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

## Compatible with most dimmers

This Philips LED light includes the latest LED technology, working with most dimmers. Simply use your current dimmer or any type of dimmer you want!

## Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources,

591834816

helping you to save money on your electricity bills and do your bit for the environment.

## Create a stylish atmosphere

This light is designed around the latest tastes, trends and lifestyles to blend effortlessly into your décor and define the localised ambiance you have always desired.

## Perfect to relax and socialise

The living room is the heart of any home: a place where families gather to relax and guests socialise. Lighting for your living room and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and gives the room a warm and welcoming feel.

# Specifications

## Design and finishing

- Material: metal
- Colour: aluminium

## Extra feature/accessory incl.

- Anti-glare light source
- Compatible with most dimmers
- LED integrated
- 5-year warranty
- Adjustable spot head

## Product dimensions and weight

- Length: 12.2 cm
- Width: 12.2 cm
- Net weight: 0.580 kg
- Recessed distance: 4.9 cm
- Cut out length: 11.2 cm
- Cut out width: 11.2 cm

## Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 4.5 W
