Highlights

**Play with smart color lights**

There’s no limit with Philips Hue: with over 16 million colors, you can transform your home into the perfect party venue, bring a bedtime story to life, and much more. Use preset, colored light scenes to evoke the feeling of summer any time you’d like, or use your own photo to relive a special memory.

**Amp your entertainment**

Immerse yourself in your movie, game, or music with the magic of light. With millions of colors from which to choose and countless lighting options, you can turn any living room into a private cinema — all you need to bring is the popcorn!

**Get in the mood**

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax — no matter what time of day it is. Start your morning off on the right foot with cool, energizing bright white light, or settle down for the night with golden tones.

**Flexible light strip**

Completely flexible, the indoor strip light lets you shape, bend, and manipulate it to shine its light the way you want. Use the adhesive tape on the back to attach it to any solid surface.

**Bright light output**

With light coverage over its total length and a high output of 1600 lumen, Philips Hue strip lights provide enough light to be used both as a decorative and functional light source.

**Lengthen your strip lighting**

Extend your Philips Hue Lightstrip Plus up to 33 feet by adding 40 inch extensions to cover larger surfaces and enable wider applications.

**Connect to the Hue Bridge**

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. *Hue Bridge sold separately.
