- Wattage: 35 W

### Light characteristics

- Color temperature: Up to 5000 K

### Marketing specifications

- Expected benefits: Brighter and whiter light
- Product highlight: Cut through the darkness

### Ordering information

- Order entry: 85122CVS2
- Ordering code: 78720876

### Outerpack information

- Height [in]: 2.3
- Length [in]: 4.2
- Width [in]: 4.2

### Packaging Data

- EAN1: 46678720871
- Packaging type: S2

### Packed product information

- MOQ (for professionals): 5
- Pack Quantity: 2

### Product description

- Application: High beam, Low beam
- Base: P32d -2
- Designation: D2S CrystalVision ultra HID
- Designation LED Type: D2SCVS2
- Range: CrystalVision ultra HID
- Technology: HID
- Type: D2S
- Homologation DOT/SAE

85122CVS2

# Highlights

### Durable Philips quality

The technologically advanced Philips lighting is renowned in the automotive industry, and has been for over 100 years. The Philips Automotive Grade Quality products are designed and developed following strict quality control processes (including applicable ISO norms), leading to consistently high production standards. Major car manufacturers choose Philips lamps, because when you buy Philips, you buy quality. You get powerful bright light, and precise beam performance. You get high-end style.

### Excellent Light Distribution

The bright output and intense color adds more than just style. They provide superior light distribution, with a wide angle beam on the road so you can see and be seen better.

### Perfect color match

If you're a driver who believes the best is never good enough, Philips Xenon CrystalVision ultra HID's are for you. The bulbs are noticeably whiter than standard Xenon HID's and provide a perfect color match with LED's.

### Ready, steady, installed!

Designed to be installed in compatible vehicles, drivers with maintenance experience will be able to upgrade compatible lights with ease.
