

psa[128max

digital audio player
type number - ACT210

athletes don't just listen to music. they use it.

introducing Portable Sport Audio by Nike and Philips,
the worldwide leaders in sport and technology.

these digital audio players are specifically designed
for runners and riders. they're wearable, skip free,
durable, simple to operate and splash proof. they
feature the most innovative cord management ever.
plus, they sound great.

at last, Portable Sport Audio: after years of listening
to athletes, they finally get to listen to us.
