### Rugged design and splash resistant \*

Made for outdoor fun, with rubber gaskets and splash resistant seals that keep out water, moisture and dirt.

### Jogproof

Fourth generation electronic skip protection for continuous music play with 45 second music buffer and upto five times faster shock recovery than conventional systems.

### 22-Hours playback (ESP on, 2 x AA Alkaline batteries)

Powersaving technology extends battery playing time to 22 hours with two regular LR6-size (AA) alkaline batteries.

### Built-in recharge capability

Built-in recharge capability for ECO-PLUS Ni-MH batteries (batteries AY3362 included).

### Digital dynamic bass boost

Enhances bass at low, mid and high volume, to give deep, rich sounds.

### CD-Rewritable compatible

Ensures that both CD-Recordable and CD-Rewritable discs, made by any CD-Recorder, can be played.

### All CD program modes

Let you enjoy various CD program modes (repeat one/ repeat all/ shuffle/ introscan).

### ECO-PLUS Ni-MH rechargeable battery

Durable and environmental friendly rechargeable battery type which is quick and easy to charge.

### Heat resistant body

Unique composite material enables the CD player to withstand very high temperature.

### 1-Bit D/A converter

Advanced digital conversion technology ensures crystal-clear sound.

### Hold

Bookmark function that ensures the CD starts precisely from the point it was stopped.

### Resume

Ensures the CD starts precisely from the point it was stopped.

### Automatic power off

Automatically switches off the CD player at the end of a compact disc.

### CD next/ previous

Plays the next or previous track at the touch of a button.

### CD music search

Searches the CD at high speed while still producing low-volume sound so you know exactly when to stop.

### Repeat one/ all

Repeat the current track or the total CD.

### Shuffle

Plays disc selection randomly, giving you each time a new sequence of tracks.

### 30-track programmable

Stores up to 30 of your favourite tracks for playing back in your order of preference.

### Acoustic feedback

Confirms any key-push with friendly beep to acknowledge that a command has been given.
