PHILIPS

Highlights

Links to smartphone or tablet

Bluetooth® Hi-Fi Adapter works with Bluetooth-enabled phones and tablets. Just turn on Bluetooth, connect to the Bluetooth Hi-Fi adapter and play music from your smartphone/tablet on your Hi-Fi.

Bluetooth® connectivity

The Bluetooth® Hi-Fi adapter works with all versions of Bluetooth.

Stream music library

You store your music on smartphone and tablet. With Bluetooth® Hi-fi Adapter, you can

stream all your music from your music library to your Hi-Fi system.

Stream online music apps

Every music lover has his favorite music service or online radio apps on his mobile devices. Now you can play them directly on your Hi-Fi system.

Works with most Hi-Fi systems

You can connect the Bluetooth® Hi-Fi adapter to almost any Hi-Fi or PC speaker system using standard analogue RCA or 3.5mm jacks.

RCA or 3.5mm jack

Standard analogue RCA or 3.5mm jack (cable included).

Enjoy better sound

You love music, and have a huge library on your smartphone and tablet. But the built-in speakers just don't sound right. With the

Bluetooth® Hi-Fi adapter you can listen to all your favorite music in better sound.

Plug-and-play

The Bluetooth® Hi-Fi adapter connects readily to your favorite Hi-Fi. Just plug it in the RCA or 3.5mm jacks, and you are ready to play music from your smartphone or tablet on your Hi-Fi.

Compact design

The Bluetooth® Hi-Fi adapter features a compact and streamlined design, looking perfect on your favorite Hi-Fi.
