Batteries or AC/DC adapter powered

Gives you the choice to use 4 AA 1.5V batteries or a 7.5V AC adapter. This enables you to use it as a stationary or as a traveller clock radio.

Alarm time display with rooster wake-up alarm

Super big LCD for easy reading

Dual alarm

Two alarms that can be set independently with the choice of waking up to your favourite radio station, alarm buzzer or sound of rooster.

Two-colour display for current time and alarm time

Wake to sound of rooster, radio or buzzer

Gives you the choice of waking up to your favourite radio station, alarm buzzer or sound of rooster.

Brightness control

Enables you to control the brightness of the display for personal preference.

Gentle wake

Quartz controlled clock

Quartz operated clock which ensures the time stays correct whilst mains frequencies may fluctuate.

Easy alarm/ time set

24-hour alarm reset

Automatically resets the alarm for the same time on the next day, so you don't have to keep manually resetting the alarm.

Repeat alarm

Snooze timer

Battery back-up
