### Large LED display

### Repeat alarm

Switches off the alarm for 9 minutes.

### Wake up to radio or buzzer

Gives you the choice of waking up to your favorite radio station or alarm buzzer.

### 24 hour alarm reset

Automatically resets the alarm for the same time on the next day, so you don't have to keep manually resetting the alarm.

### FM/AM tuner

### Easy alarm/ time set

### Battery back-up

A 9-volt battery (not included) ensures that clock and alarm settings are maintained in the event of a mains interrupt or failure. Should this happen the display will not illuminate but the alarm and clock settings remain active.
