Quick Start Guide

1 Important

Safety

Know these safety symbols

The bolt of lightning indicates uninsulated material within your unit may cause an electric shock. For the safety of everyone in your household please do not remove product covering.

This 'exclamation point' calls attention to features for which you should read the enclosed literature closely to prevent operating and maintenance problems.

WARNING: To reduce the risk of fire or electric shock, this apparatus should not be exposed to rain or moisture and objects filled with liquids, such as vases, should not be placed on the apparatus.

CAUTION: To prevent electric shock, match wide blade of plug to wide slot, fully insert.

2 Notice

Any changes or modifications made to this device that are not expressly approved by Gibson Innovations may void the user’s authority to operate the equipment.

Disposal of your old product and batteries

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused. Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products and batteries. The correct disposal of these products helps prevent potentially negative consequences on the environment and human health.

Your product contains batteries, which cannot be disposed of with normal household waste. Please inform yourself about the local rules on separate collection of batteries. The correct disposal of batteries helps prevent potentially negative consequences on the environment and human health. Please visit www.recycle.philips.com for additional information on a recycling center in your area.

Environmental information

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)

Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, exhausted batteries and old equipment.

Specifications are subject to change without notice.

This product has been manufactured by and is sold under the responsibility of Gibson Innovations Ltd, and Gibson Innovations Ltd is the warrantor in relation to this product. Philips and the Philips Shield Emblem are registered trademarks of Koninklijke Philips N.V. and are used under license.

To download the full user manual, visit www.philips.com/support.

The batteries (not supplied) can only back up clock and alarm settings when AC power is disconnected.

Specifications

Power on

standby

Note:

You can only set time in standby mode.

Note:

Make sure that you have set the clock correctly.

Warning

Never remove the casing of this clock radio.

Never immerse any part of this clock radio in water.

Keep the clock radio away from direct sunlight, fire or heat.

Make sure that you always have easy access to the power and plug or adapter to disconnect the clock radio from the power.

Always make sure that there is enough free space around the product for ventilation.

Battery usage CAUTION - To prevent battery leakage which may result in bodily injury, property damage, or damage to the clock radio:

• Install the batteries correctly, + and - as marked on the clock radio.

• Do not mix batteries (old and new or carbon and alkaline, etc.)

• Remove the batteries when the clock radio is not used for a long time.

• The batteries shall not be exposed to excessive heat such as sunshine, fire or the like.

• Use only power supplies listed in the user manual.

• The clock radio shall not be exposed to dripping or splashing.

• Do not place any sources of danger on the clock radio (e.g. liquid filled objects, lighted candles).

Where the plug of the Direct Plug-in Adapter is used as the disconnect device, the disconnect device shall remain readily operable.

When alarm sounds, press SNOOZE.

• The alarm snoozes and repeats ringing nine minutes later.

Press AL1 or AL2 repeatedly to select an alarm source (FM radio or buzzer) or deactivate the alarm timer.

Note:

Charge your mobile devices

1. Connect the dock radio with your mobile device.
   - For Android-powered mobile device with a micro USB socket, use the supplied cable to connect the product with the mobile device.
2. Connect the dock radio to AC power.
   - The mobile device begins to charge.

Store radio stations

1. Fully extend and adjust the position of the signal antenna until you find the best reception.
2. Tune to FM radio stations.

Specifications

- **Amplifier**:
  - Mono, 26 dB S/N Ratio
  - Total Harmonic Distortion <3%
- **Tuner (FM)**:
  - Tuning Grid 50 KHz
  - Tuning Range 87.5-108 MHz
- **Total Output Power**: 500 mW
- **Sensitivity**:
  - Mono, 26 dB S/N Ratio
- **Signal to Noise Ratio**: >50 dBA
- **Total Harmonic Distortion**: <3%
- **USB Charging Current**: max. 400 mA; Input: 100-240V~ 50/60Hz
- **Gibson Innovations  New Zealand**
  - 305/4 Columbia Court, Baulkham Hills, NSW, 2153
  - 1300 850 633

Warranty against Defects

In this warranty, we or as means Gibson Innovations ABN 53 651 059 75, and our contact details are set out at the end of this warranty.

- **Supplier** means the authorized distributor or retailer of the Goods that sold you the Goods in Australia or New Zealand.
- **Goods** means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand.

**In this warranty**:

1. If, during the first 12 months from their date of purchase from the Supplier (Warranty Period), the Goods prove defective by reason of improper workmanship or materials and none of your statutory rights or remedies apply, we will repair or replace the Goods without charge.
2. In order to claim under this Additional Warranty you must telephone us on 1300 850 633 in Australia or 0800 639 953 in New Zealand within the Warranty Period.
3. This Additional Warranty is limited to repair, replacement or substitution only. As far as the law permits, we will not be liable for any loss or damage caused to property or persons arising from any cause whatsoever.
