- Warranty 90 days OTC exchange

### Dual alarm

Two alarms that can be set independently with the choice of waking up to your favorite music from the radio station or from the buzzer.

### Large LED display

### Repeat alarm

Switches off the alarm for 9 minutes.

### Wake up to radio or buzzer

Gives you the choice of waking up to your favorite radio station or alarm buzzer.

### 24-hour alarm reset

Automatically resets the alarm for the same time on the next day, so you don't have to keep manually resetting the alarm.

### FM/AM tuner

Gives you a wide selection of radio stations to choose from.

### Sleptimer

### Easy alarm/time set

### Battery back-up

A 9-volt battery (not included) maintains correct time and alarm time settings in the event of a brief power interruption or power failure. Should this occur, the display will be disabled, but the alarm remains active.
