Guide

User Manual

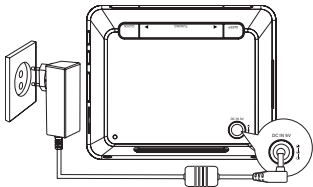

AC adaptor

PHILIPS

Step A *Connect*

Connect the supplied AC adaptor to the set and to the AC outlet.

Step B *Setup*

Select on-screen display language

- 1 Press **MENU**.
→ The home menu appears.
- 2 Select [Settings], then press **OK**.
→ The setting menu appears.
- 3 Select [Language], then press **OK**.
- 4 Select an option, then press **OK** to confirm.
- 5 Press **MENU** to exit the setting menu.

Step B Setup

Set time and date

- 1 Press **MENU**.
- 2 Select [Settings] -> [Clock] -> [Set time], then press **OK**.
- 3 Press **▲▼** to set the hour; then press **OK** to confirm.
- 4 Press **▲▼** to set the minute, then press **OK** to confirm.
- 5 Select [Set date], then press **OK**.
- 6 Press **▲▼** to set the day, then press **OK** to confirm.
- 7 Press **▲▼** to set the month, then press **OK** to confirm.
- 8 Press **▲▼** to set the year, then press **OK** to confirm.
- 9 Press **MENU** to exit the setting menu.

Set the alarm timer

- 1 Press **ALARM 1/ALARM 2**.
→ The Alarm 1/ALarm 2 icon and the clock digits are displayed.
- 2 Press **▲▼** to set the hour; then press **OK** to confirm.

Step B Setup

3 Press ▲▼ to set the minute, then press **OK** to confirm.

→ At the set time, the alarm sounds and the volume increase gradually.

Note:

*In photo or music mode, press and hold **ALARM 1/ALARM 2** to save the current photo/music as the alarm photo/music.*

Step C Enjoy

Display clock

1 Press **MENU**.

2 Select [Clock], then press **OK**.
→ The current time and alarm status are displayed on a background of photos from the internal memory.

Note:

- To change the clock position (5 positions available) on the screen, press **CLOCK**.
- You can change clock face (either analog or digital) by selecting [Settings] -> [Clock style] -> [Format].

Step C *Enjoy*

Listen to FM radio

- 1 Press **MENU**.
- 2 Select [Settings] -> [Auto tune], then press **OK**.
 - All available stations are programmed.
 - After all stations are stored, the first preset station automatically plays.
- 3 Press **▲▼** to select the desired radio station.

View photos

- 1 Insert an SD/MMC card into the **SD/MMC** card slot.
- 2 Select [Photo] from the home menu.
 - Thumbnail previews of the pictures stored in the card are played.
- 3 Press **OK**.
 - A slideshow of the stored pictures starts from the picture selected.

Note:

- In photo or clock mode, press **TUNING ◀▶** to select previous/next photo; press **▲▼** to rotate clockwise/anti-clockwise.
- In photo mode, press **CLOCK** to display the clock for 10 seconds.

Step C *Enjoy*

Listen to music

- 1 Insert an SD/MMC card into the **SD/MMC** card slot.
- 2 Select [Music] from the home menu.
- 3 Press ▲▼ to select a folder/file.
- 4 Press OK.
→ The file is played.

Tip

Detailed playback features and additional functions are described in the accompany owner's manual.
