# Highlights

## 17.8 cm/7" colour LCD display

So you can read the content on the LCD display clearly, the Philips Clock radio has a large display viewing area to make it easy to read the time and alarm, even from a distance. It is ideal for the elderly and the visually restricted.

## Preloaded relaxation music

Relax or fall asleep to peaceful sounds. The Philips Clock radio is preloaded with a number

of pieces of relaxation music. Simply choose from rain showers, ocean waves, spa music and more to enjoy in relaxed comfort.

## USB and SD card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music and photos via the USB and SD card slots.

## Photo viewing with music/radio

Enjoy viewing your photos while listening to your favourite music or FM radio station. Simply select "Photo with music" from the menu, then sit back and enjoy them both at the same time. The Philips Clock radio comes with USB and SD memory card slots so you can play your favourite MP3 and WMA music through the clock radio, and view your favourite digital images on the LCD display.
