Highlights

Aquatec - Wet or Dry shaving

The Philips Norelco AT830 PowerTouch Cordless Razor lets you shave any way you want. An Aquatec seal gives you the option of either a comfortable dry shave or a refreshing wet shave with or without shaving cream or gel.

DualPrecision shaving system

For precise results, the AT830 PowerTouch features a DualPrecision shaving system designed to effectively shave both longer hairs and short stubble.

Rechargeable cordless

Enjoy the convenience of cordless operation at home or on the road. One hour of charging provides up to 50 minutes of shaving time, and a quick-charge option gives you enough power for a single shave.

Pivoting shaving heads

The three shaving heads pivot to remain in close contact with the skin for a fast shave that's also gentle on the skin.

Pop-up trimmer

An integrated pop-up trimmer helps complete your facial hair grooming routine. This trimmer is ideal for trimming and shaping sideburns, goatees, mustaches, and more.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Super Lift and Cut action

Flexing heads automatically adjust to every curve of your face and neck to minimize pressure and skin irritation. These low-friction heads are rounded to further protect your skin. To cut comfortably below skin level, the shaver comes with patented Super Lift&Cut dual-action blades that lift hairs.

Fully washable design

For convenient care and maintenance, the AT830 PowerTouch is fully washable. After use, simply hold the shaver under running water to clean. This shaver also comes with a cleaning brush for more thorough cleanup.
