Digital tuner with 30 station presets

Provides fast, accurate tuning to your favourite stations. You can store up to 29 FM and MW stations in memory for fast, easy access.

Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

Dynamic bass boost

Enhances bass tone frequencies to give deep, rich sounds.

20-track programmable

Stores up to 20 of your favourite CD tracks for playing back in your order of preference.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

CD synchro start recording

Synchronises the start of a recording on audio cassette with the start of a CD at the touch of a button.

Compact disc digital audio player

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

Repeat one/ all

Repeats the current track, the total CD, or your pre-selected programme.

CD Rewritable compatible

Capable of playing all music CD's, including CD-Recordable and CD-Rewritable discs.

Stereo cassette deck

Play back recorded tapes on this full-functional stereo cassette deck, and record from the built-in CD player or tuner.

4" Full-range speakers

For excellent sound performance across the entire audio frequency spectrum.

Metal speaker grilles

Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.

Six-digit multi-functional display

Displays CD player information (track, playing time and play modes) and Tuner information (tuned frequency and stereo reception).
