Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

Dynamic bass boost

Enhances bass tone frequencies to give deep, rich sounds.

8-key remote control

Slimline system remote for convenient operation of CD controls.

20-track programmable

Stores up to 20 of your favourite CD tracks for playing back in your order of preference.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

CD synchro start recording

Synchronises the start of a recording on audio cassette with the start of a CD at the touch of a button.

Analogue tuner

High-quality tuner with sensitive operation for maximum tuning control.

Compact disc digital audio player

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

Repeat one/ all

Repeats the current track, the total CD, or your pre-selected programme.

Stereo cassette deck

Play back recorded tapes on this full-functional stereo cassette deck, and record from the built-in CD player or tuner.

4" Full-range speakers

For excellent sound performance across the entire audio frequency spectrum.

Metal mesh speaker grilles

Perforated, anodized grilles protect the speaker components.

Stereo headphone socket

Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.

Two-digit LCD display

Displays CD track numbers and play modes like Shuffle, Repeat, and CD programme.

AC/DC operation

Operates either on batteries or mains supply, using the detachable AC power cord.

Built-in handle

Strong, fold-away handle for carrying your music system wherever you go.
