- Product dimensions (W x H x D): 350 x 127 x 217 mm
- Weight: 1.9 kg
- Weight incl. Packaging: 2.55 kg

Highlights

CD player

CD player

CD-R/RW Compatible

CD-Rewritable Compatible means that your audio set can play both CD-Recordable (CD-R) and CD-Rewritable (CD-RW) discs. CD-R discs are recordable once and can be played on any audio CD player while CD-RW discs can be recorded and rewritten multiple times and can only be played back on compatible audio CD players. The laser pick-up and CD decoder circuitry of CD-RW compatible players are specially designed to read the special audio CD-RW phase-change recording layer, ensuring you can always play your home-recorded discs on your audio CD system.

FM/MW tuner

FM/MW (AM) stereo tuner

CD shuffle/program/repeat

The "Shuffle/Program/Repeat" function helps you to get rid of the boredom of hearing your music played in the same order all the time. After loading your favorite songs to the player, all you have to do is to select one of the modes - "Shuffle", "Program" or "Repeat" for your tunes to be played in different modes order. Enjoy the different and unique music experience every time you hook up to your player.

Multi-functional LCD display

Multi-functional LCD display

Stereo headphone socket

Connect your own headphone for a more personal listening experience whenever you want it. You can enjoy your favorite music in great sound without disturbing others by connecting your headphones to the player.
