Product highlights

- **Compact disc digital audio player**

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

- **Repeat one/ all**

Repeats the current track, the total CD, or your pre-selected programme.

- **Shuffle play**

Plays disc selection randomly, giving you a new sequence of tracks each time.

- **Stereo cassette deck**

Play back recorded tapes on this full-functional stereo cassette deck, and record from the built-in CD player or tuner.

- **Six-digit multi-functional display**

Displays CD player information (track, playing time and play modes) and Tuner information (tuned frequency and stereo reception).

- **3" Full-range speakers**

For excellent sound performance across the entire audio frequency spectrum.

- **Metal speaker grilles**

Grilles covered with acoustically neutral cloth to protect the speaker.
