- Cradle playback mode: Charging iPod, Play and Pause, Next and Previous track, Fast forward and reverse
- Loader Type: Motorised, Tray
- Playback Media: WMA-CD, MP3-CD, CD, CD-R, CD-RW
- Disc Playback Modes: Fast Forward/Reverse, Next/Previous Track Search, Repeat Play, Shuffle Play
- Programmable Tracks: 20

## Sound

- Output power (RMS): 2 x 4 W
- Sound System: Stereo
- Loudspeaker types: Bass Reflex Speaker System
- Sound Enhancement: Dynamic Bass Boost
- Speaker diameter: 3"
- Volume Control: rotary

## Tuner/reception/transmission

- Tuner Bands: FM, MW
- Auto digital tuning
- Antenna: FM Antenna

## Connectivity

- Aux in
- Headphones: 3.5 mm

## Convenience

- Display Type: LCD
- Backlight
- Remote Control: Multi-functional

## Power

- Mains power
- Battery type: LR20
- Battery voltage: 1.5 V
- Number of batteries: 6

## Accessories

- Included Accessories: Remote Control, Audio Cable, AC Power Lead, User manual, Warranty certificate

## Dimensions

- Packaging dimensions (W x H x D): 410 x 187 x 307 mm
- Product dimensions (W x H x D): 358.4 x 140.6 x 260 mm
- Weight: 2.22 kg
- Weight incl. Packaging: 3.15 kg

## Play and charge your iPod

Play and charge your iPod

## Bass Reflex Speaker System

Bass Reflex Speaker System delivers a deep bass experience from a compact loudspeaker box system. It differs from a conventional loudspeaker box system in the addition of a bass pipe that is acoustically aligned to the woofer to optimise the low frequency roll-off of the system. The result is deeper controlled bass and lower distortion. The system works by causing the air mass in the bass pipe to vibrate like a conventional woofer. Combined with the response of the woofer, the system extends the overall low frequency sounds to create a completely new dimension of deep bass.

## Dynamic Bass Boost

Dynamic Bass Boost maximises your music enjoyment by emphasising the bass content of the music throughout the range of volume settings - from low to high - at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.

## Motorised CD loader

Motorised CD loader for convenient access
