### General

- Product dimensions 405 W x 162 H  
(mm) x 232 D
- Product weight (kg) 3.2
- Package dimension 475 W x 211 H  
(mm) x 260 D
- Weight incl packing (kg) 3.9

### Easy access keyboard

Well-known 10 button interface for easiest possible tuner preset and CD track access.

### Digital tuner with 40 station presets

Provides fast, accurate tuning to your favourite stations. You can store up to 40 FM and MW stations in memory for fast, easy access.

### Dynamic bass boost

An electronic circuit that enhances bass frequencies up to 3 times to compensate for the insensitivity of the human ear for bass frequencies at lower volume levels.

### Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

### CD-R/RW compatible

CD player capable of playing all music CDs, including CD-Recordable and CD-Rewritable discs.

### CD program/ shuffle/ repeat

Stores up to 20 of your favourite CD tracks for playing back in your order of preference, or plays all selections on a disc in random order, giving you a new sequence of tracks every time.
