Two-way speaker system

Provides higher musical clarity and enhanced stereo sound quality.

Backlighted LCD with Demo mode

Ultrabass 2

Incredible surround

Feature unique to Philips that creates the illusion of the speakers being much further apart than they actually are, resulting in an enhanced, room-filled stereo effect.

Ultra High Clarity

Digital tuner with 30 presets

Provides fast, accurate tuning to your favorite stations. You can store up to 30 FM stations in memory for fast, easy access.

Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

Compact disc digital audio player

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD Program, Shuffle Play and Repeat.

20-track programmable

Stores up to 20 of your favorite CD tracks for playing back in your order of preference.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

Stereo cassette deck

Play back recorded tapes on this fully-functional stereo cassette deck, an record from the built-in CD player or tuner.

Metal mesh speaker grills

Perforated, anodized grills protect the speaker components.

Stereo headphone socket

Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.
