USB PC-Link

Stream MP3 files from your PC to your CD Soundmachine.

MP3-CD playback

CD player capable of playing MP3 files from CD-ROM.

Easy navigation via remote control

Fully featured remote control for convenient operation of PC MP3-files, CD, volume and tuner controls.

GamePort connection to your game console

Play the sounds of your gaming device over your CD Soundmachine to experience a total game immersion.

Game sound settings

Game sound setting allows you to select from 3 preset modes (Blast, Punch and Speed), to best complement the game you're playing.

wOOx technology speaker system

Philips' patented wOOx technology ensures very deep and precise bass without noticeable distortion, by using a dual suspension radiator together with dedicated amplifier circuitry.

Bass reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.
