- 10-key digital remote control (CD/volume)

Connections

- Headphone socket : 3.5 mm

Power supply

- AC/DC operation
- AC voltage
 - /01 : 120/230 V, 50 Hz
 - /14 : 230 V, 50 Hz

General

- Material : HIPS
- Weight : 6.6 Kg
- Dimensions : 685 mm W x 240 mm H x 265 mm D
- Packaging dimensions : 750 mm W x 300 mm H x 340 mm D
- Quantity /mastercarton : 1

Accessories

- Remote control
- 2 x 1.5V/AAA batteries

Product highlights**Compact disc digital audio player**

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

20-Track programmable

Stores up to 20 of your favourite CD tracks for playing back in your order of preference.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

Repeat one/all

Repeats the current track, the total CD, or your pre-selected programme.

CD next/previous track search

Plays the next or previous track at the touch of a button.

CD music search

Searches the CD at high speed while still producing low-volume sound so you know exactly when to stop.

Analogue tuner

High-quality tuner with sensitive operation for maximum tuning control.

Dual stereo cassette deck

Play back recorded tapes on this full-functional dual stereo cassette deck, and record from the built-in CD player or tuner.

Full auto stop

Automatically shuts off the cassette deck at the end of playback to avoid overstretching the tape.

Automatic recording level control

Electronic circuit that constantly monitors the input signal to ensure accurate, distortion-free recording.

CD synchro start recording

Synchronises the start of a recording on audio cassette with the start of a CD at the touch of a button.

Digital up/down volume control

Precise, convenient volume control at the touch of a button.

Bass Reflex speaker system

Acoustic system that enhances the upper bass tones to provide a warmer, punchier bass sound.

Dynamic bass boost

Enhances bass tone frequencies to give deep, rich sounds.

5" Full-range speakers

For excellent sound performance across the entire audio frequency spectrum.

Metal mesh speaker grilles

Perforated, anodized grilles protect the speaker components.

Six-digit multi-functional display

Displays CD player information (track, playing time and play modes).

Stereo headphone socket

Enables stereo headphones to be used for private listening pleasure. Automatically switches off speakers when used.

Built-in handle

Strong, fold-away handle for carrying your music system wherever you go.

AC/DC operation

Operates either on batteries or mains supply, using the detachable AC power cord.

10-Key remote control

Slimline system remote for convenient operation of CD and volume controls.
