- Indications for track, time, battery and CD functions

**Connections**

- Headphone/line out : stereo, 3.5 mm
- DC in : 4.0 mm, 4.5 V, centre '+'

**Power Supply**

- Batteries : 2 x 1.5 V, type AA/LR6/UM3 cell
- Typical playing time : 14 hours
- External supply /00 : 230 V AC to 4.5 V DC

**General**

- Material : High temperature resistant plastic
- Weight : 230 g (excluding batteries)
- Dimensions : 128 mm W x 27 mm H x 136.5 mm D
- Quantity /mastercarton : 6

**Accessories**

- AC/DC adaptor
- Stereo in-ear headphone

**Optional Accessories (contact your dealer or service centre)**

- AY 3501 : Car cassette adaptor
- AY 3545 : Cigarette lighter adaptor
- AY 3361 : Rechargeable NiCad battery pack

**Product Highlights****• Large LCD**

Large LCD ensures that all CD function displays are bigger and brighter for easier viewing.

**• Feedback Tone**

Confirms any key-push with friendly beep.

**• Play Mode**

Let's you enjoy various track repeat modes (one/all/shuffle) or a combination of each. Introscon plays 8 seconds of each track automatically.

**• Next/Previous Track Search**

Two-button control that puts you immediately at the start of the previous track or next track.

**• Search With Sound**

Produces audible "bits" of sound while you search backwards or forwards within a CD track.

**• Hold**

Prevents accidental interruption of play or changing of the setting.

**• Resume**

Ensures the CD starts precisely from the point it was stopped.

**• Automatic Power Off**

Automatically switches off the CD player at the end of a compact disc.

**• Heat Resistant Body**

Unique plastic composition enables the CD player to withstand very high temperatures while protecting the internal components.

**• Stereo In-Ear Headphone**

Stylish, ergonomically designed in-ear headphone for exceptionally snug fit and outstanding sound quality.
