

CD portable

AZ7894

Ultra-compact CD player with 45-second ESA and Powersave mode

- **Electronic shock absorption**

Automatically stores 45 seconds of music during play to prevent interruptions caused by vibrations and shocks.

- **Ultra-compact design**

Advanced micro-electronic circuitry for portability and outstanding performance, with innovative styling in a superb design.

- **Powersave mode**

Gives you up to 40 hours of playing time with 2 "AA" batteries and the external battery pack (supplied).

- **3-stage Dynamic bass boost**

Enhances bass tone frequencies to give three levels of deep, rich sounds.

- **Other CD features include:**

Large EL-Backlit LCD, optical line out, 99-track programming, shuffle, repeat one/all and introscan functions, and feedback beep to confirm key-push operation.

- **Headphone, AC/DC adaptor, rechargeable battery pack, remote control, HiFi cord and pouch included**

Let's make things better.

PHILIPS

CD portable

AZ7894

- Batteries : 2 x 1.5 V, type AA/LR6/UM3 cell
- Typical playing time : up to 40 hours with external battery pack
- External supply /00 : 230 V AC to 4.5 V DC
- /01, /11 : 120/230 V AC (switchable) to 4.5 V DC

General

- Material : High temperature resistant plastic
- Weight : 230 g (excluding batteries)
- Dimensions : 128 mm W x 29 mm H x 136.5 mm D
- Quantity/mastercarton : 3

Accessories

- AC/DC adaptor
- Stereo in-ear headphone
- Remote control
- Rechargeable battery pack
- HiFi cord
- External battery pack
- Pouch

Optional Accessories (contact your dealer or service centre)

- AY 3501 : Car cassette adaptor
- AY 3545 : Cigarette lighter adaptor
- AY 3361 : Rechargeable NiCad battery pack

Product highlights

- **Optical line out**
Can transfer digital audio signals to recording devices like CD-Recorder.
- **Large EL-Backlit LCD**
Provides an easy-to-read display even in low light. track, time and other functions are all visible at the same time and are bigger and brighter.
- **Feedback tone**
Confirms any key-push with friendly beep.
- **Play mode**
Let's you enjoy various track repeat modes (one/all/shuffle) or a combination of each. Introscan plays 8 seconds of each track automatically.
- **Next/previous track search**
Two-button control that puts you immediately at the start of the previous track or next track.
- **Search with sound**
Produces audible "bits" of sound while you search backwards or forwards within a CD track.
- **Hold**
Prevents accidental interruption of play or changing of the setting.
- **Resume**
Ensures the CD starts precisely from the point it was stopped.
- **Automatic power-off**
Automatically switches off the CD player at the end of a compact disc.
- **1-Bit D/A converter**
Advanced digital conversion technology ensures crystal-clear sounds for pure listening pleasure.
- **Adaptive ESA**
Automatically stores 45 seconds of music during play to prevent interruptions caused by vibrations and shocks even during Powersave mode.
- **Stereo in-ear headphone**
Stylish, ergonomically designed in-ear headphone for exceptionally snug fit and outstanding sound quality.
