# Highlights

## Tulip shape

Philips Easy Natural Curler has a unique Tulip shape for creating stylish, natural curls like no effort went into it.

## One touch clip and curl

The Philips Easy Natural Curler's clip and curl plates automatically clip and hold the hair strand while styling, so you can curl in a single movement and with just one hand.

## Heat safe design

As the styling plates are protected from touching, you don't have to worry about getting accidental burns.

## Light and compact

Philips Easy Natural Curler is light, comfortable to use and compact. Its slim handle and small size makes it perfect to carry around.

## Protective ceramic coating

The protective ceramic coating of the curler's plates ensures even heat distribution and less hair damage for shiny and soft hair.

## 200°C styling temperature

A professional temperature of 200°C guarantees nice results even on thick hair, while minimizing hair damage.
