# Highlights

### Straightener for sleek results

80mm straightening plates for perfect sleek results.

### Curler for fabulous curls

25mm curling barrel for perfect tight to loose curls.

### 3 versatile hair accessories

Including a style guide to create 10+ styles, 2 elastic bands for easy hairstyling and a hair loop to experiment with your style.

### OneClick release technology

Changing attachments has never been quicker or easier with the multi-styler's OneClick design. Simply click on and push the button, holding the cool tip, to release.

### Up to 210°C temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

### Fast heat up time

This styler has a fast heat up time, being ready to use in 60 seconds.

### Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

### Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

### 1.8 m cord

Convenient to use thanks to the 1.8m power cord length.

### Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.
