Highlights

Efficient epilation system

Efficient epilation system leaves your skin smooth and stubble-free for weeks

Opti-light

Unique built-in light ensures fewer hairs are missed for a more effective epilation.

2 Speed settings

2 speed settings to remove thinner and thicker hairs for a more personalised hair removal treatment.

Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal. It looks great too!

Washable epilation head

This epilator has a washable epilation head. The head can be detached and cleaned under running water for better hygiene

Shaving head and comb

The shaving head and comb provide a close shave and more gentleness in different body areas.

Trimming head and bikini comb

It includes a trimming head and bikini comb to trim and shape delicate areas for more convenience.

Massage cap

Massage cap eases the epilation sensation.

Exfoliation glove

The use of the exfoliation glove helps prevent ingrown hairs in between epilation.

Travel pouch

Travel pouch for storage and transportation
