Highlights

Floating foil

The floating foil glides naturally over your curves and contours, maintaining close contact with your skin for an even shave.

Pearl-tip trimmer

The rounded pearl-tip trimmers in front and behind the shaving foil, keep the shaver gliding smoothly over your skin and prevent scratches for a skin-friendly shave.

Ergonomic S-shaped handle

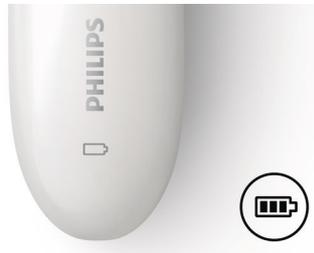

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Wet & dry use

For a gentle and comfortable use during your shower or bath routine with anti slip grip for optimal wet & dry use.

Battery indicator light

Battery indicator light shows when your shaver is charging, full or low battery.
