Self-sharpening steel blades

For durable performance

Features self-sharpening steel blades for durable performance, and the convenience of USB charging for 60 minutes of cordless use. Includes 4 stubble and beard combs.

Trimming performance

- Self-sharpening steel blades for durable performance
- 4 impact-resistant combs for beard and stubble
- Skin-friendly blades for smooth skin

Easy to use

- USB charging
- Up to 60 minutes of cordless use, with an 8-hour charge
- Lights indicate when battery is low or charging
- Travel lock prevents trimmer from accidentally starting
- Detachable head for easy cleaning
- Ergonomic design for easier handling

Built to last

- 2 year warranty, worldwide voltage and no need to oil

Highlights

Self-sharpening steel blades

The trimmer's steel blades self-sharpen by lightly brushing against each other as they trim. This keeps the blades extra sharp and effective, for durable performance.

USB charging

Includes a USB cable for convenient charging (adapter not included).

60 min cordless use

Features the convenience of USB charging, for 60 minutes of cordless use.

4 impact-resistant combs

4 impact-resistant combs for beard and stubble: 1mm (3/64"); 2mm (5/64"); 3mm (1/8"); 5mm (3/16").

Battery indicators

The device features a light, which indicates when the battery is low or charging. The low-battery indicator helps ensure you don't run out of a charge mid-trim.

Skin-friendly blades

Blades have rounded tips, for smooth contact with skin. This helps prevent scratching and irritation.

Travel lock

The travel lock prevents the appliance from being switched on by accident.

Easy to clean

Detachable head, for easy cleaning. Cleaning brush included. No oil required.

Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

Built to last

We back this Philips trimmer with a 2-year warranty: our grooming products are built to last. You'll never need to oil it, and it's compatible with all worldwide voltages.
