## DualCut blades

For a fast and even trim

The Beard Trimmer 3000 features DualCut blades, for a fast and even trim. Spin the zoom wheel to lock in length settings at 3/64 inch (1mm) increments. Powered by a Lithium Ion battery for 90 minutes of cordless use.

### Fast and easy trim

- Maximum precision with 2x more blades
- Adjusts to different length settings
- Trims evenly and captures low-lying hairs
- Skin-friendly blades for smooth skin

### Easy to use

- Cordless use up to 90 minutes
- Lights indicate when battery is low, empty, full or charging
- Simple maintenance
- Easy to grip
- Store and go

### Built to last

- Warranty for purchase protection

# Highlights

## DualCut blades

Get a fast and even trim with the Philips beard trimmer for men, with self-sharpening steel blades and 2x as many blades, thanks to DualCut.

## 10 adjustable length settings

Cut to the exact length you're after with this cordless beard trimmer. Just spin the zoom wheel to one of 10 length settings at 3/64" (1mm) increments.

## 90 min cordless use

Don't be tangled up in cords while you're using your stubble trimmer – one 8-hour charge lasts for up to 90 minutes.

## Lift&Trim system

Never miss a spot again with this Philips beard trimmer. Our inbuilt Lift&Trim system significantly reduces the number of passes, lifting each and every beard hair for an even trim.

## Battery indicators

The device features lights which indicate when the battery is low, empty, full or charging. This ensures you don't run out of a charge mid-trim.

## Skin-friendly blades

Get smooth contact with the skin, as the blades have rounded tips that prevent scratches and irritation.

## Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

## Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

## Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
