Prolongs machine lifetime

Brew better tasting coffee

This maintenance kit allows you to prevent your full automatic Espresso Machine to break down, while keeping it clean and running smoothly. Designed to give you the best performance of your appliance

Effective protection of your espresso appliance

- All you need to perfectly protect your Full Auto machine
- Perfect decalcification of water circuits
- Protects espresso machines against residues clogging
- BRITA INTENZA+ Freshly filtered water for richer coffee aroma

Prolong lifetime

- Cleaner water prolongs the life of your espresso machine

Reliable machine protection

- Only use Philips consumables
- Protects your system against limescale build-up

Highlights

Cleaner water for your machine

The water filter extends the lifespan of your espresso machine, ensuring you can enjoy the best-tasting coffee for longer.

Special Espresso Decalcifier

The Philips Saeco decalcifier perfectly cleans all the water circuits in your espresso machine.

BRITA INTENZA+

BRITA INTENZA+ Freshly filtered water for richer coffee aroma

All you need for your machine

The Philips Maintenance Kit is the most convenient kit to perfectly keep the top performance of your Philips and Saeco Espresso Machines

Protects espresso machines

Our Coffee Oil Remover Tablets remove all coffee oil residues, while keeping your espresso machine working efficiently for best results. We recommend to carry out this cycle at least once per month.

Protected against limescale

This special decalcifier protects your appliance from the build-up of limescale which affects performance and taste. It is highly effective, safe and easy to use. For effective decalcification descale when the machine requires it or after 250 cups according to water hardness.

Philips Original

Only use Philips consumables to make sure your machine runs smoothly for longer. Philips consumables are the only recommended consumables for Philips and Saeco machines.
