Highlights

Soft-touch back

Soft-touch back provides a smooth and non-slip grip. The phone fits elegantly in your hand and is ergonomically designed for greater comfort when making your phone calls.

Brilliant 65K color display

Your phone's main screen color display brings you incredibly colorful images and pictures.

FM radio

An FM radio application allows you to listen to your favorite FM radio programs wherever you are thanks to your mobile phone and its stereo headset.

Polyphonic ringtones

A polyphonic ringtone means that the phone can play many tones simultaneously, so that an accurate musical performance is possible, and when played through the phone's speaker these polyphonic ringtones sound like real music.
