- Included Accessories: Battery, Headphones, User manual, Warranty certificate
- Headphones
- USB cable

Dimensions
- Weight: 0.24 kg
- Weight incl. Packaging: 0.34 kg
- Blister dimensions (WxDxH): 135 x 39 x 195 mm
- Packaging type: Clamshell
- Product dimensions (WxDxH): 56 x 100 x 16 mm

Power
- Battery type: R3
- Battery voltage: 1.5 V
- Number of batteries: 2

Audio Capturing
- Audio file format: WAV
- Built-in microphone: mono
- Voice recording: ADPCM

Green Specifications
- Lead-free soldered product

Storage Media
- Built-in memory capacity: 1 GB
- Built-in memory type: NAND Flash
- Mass storage class compliant

System Requirements
- PC OS: Window 2000, XP or higher
- USB: Free USB port

1 GB* built-in memory
1 GB* built-in memory

Crystal-clear DAB radio
DAB (Digital Audio Broadcasting) digital radio is, in addition to FM analogue transmission, a new way of broadcasting radio via a network of terrestrial transmitters. It provides listeners with more choices and information delivered in crystal clear, crackle-free sound quality. The technology allows the receiver to lock onto the strongest signal it can find. With DAB digital stations there are no frequencies to remember and sets are tuned by station name, so there is no returning on the move.

Large backlit LCD display
