- Weight incl. Packaging: 4.51 kg

## Power

- Adaptor type: multi-voltage (AC: 100 - 240 V, 50 - 60 Hz)
- Mains power

# Highlights

## Play and charge your iPod

Enjoy your favorite MP3 music while charging your iPod! The dock lets you connect your iPod directly to the Docking entertainment system so you can listen to your favorite music in superb sound. It also charges your iPod while it plays so you can enjoy your music and not have to worry about your iPod battery running out. Use the remote control to navigate, select and playback the music stored on your iPod. The Docking entertainment system automatically charges your iPod while it is docked.

## 21.6 cm/8.5" widescreen LCD

The high resolution color LCD display brings images to life, showing off your treasured photos, favorite movies and music with the same 'real life' rich detail and vibrant colors as high quality prints.

## ATSC/NTSC TV tuner

Built-in ATSC/NTSC TV tuner

## Motorized CD loader

A motorized sliding front door adds even more panache to the already sleek design of this system. The stylish yet functional door housing the disc slides up and down vertically in a smooth motion at the touch of a button whenever you feel like changing your music selection. Just sit back and enjoy the dynamic sound performance while watching the disc play through the transparent window.
