

Philips  
Dockable hard case

for iPod touch 4G

DLA1266

## Protective dockable case

with shock-absorbing lining

The two-piece design of this case allows for easy docking. The case wraps around to protect the edges of your device. And internal ShockStop technology cushions your device & protects it from shock.

### Attractive protection

- Shock-absorbing case also adds grip

### Protection on the go

- Honeycomb construction deflects vibration & dissipates shock
- Rubber-lined interior for shock-absorbing protection

### Convenient access

- Quick and easy to dock
- Access to all controls and dock connector

# Highlights

## Access to all controls

The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

## Quick and easy to dock

This case features a removable bottom section that allows you to quickly and easily dock your device while it remains protected in the rest of the case.

## Shock-absorbing case

This case is made out of thermoplastic polyurethane which is a high-performance elastomer to add both grip and shock-absorption in one unique case.

## Rubber-lined interior

Rubber-lined interior for shock-absorbing protection
