# Highlights

## Hard-shell polycarbonate case

This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

## Crystal clear screen protector

The crystal-clear film adds an invisible layer of protection against scratches and dust to your device's display screen. It works using static adhesion, so it's easy to apply and remove without leaving any sticky residue.

## Silicone dots increase grip

This case features non-slip rubberised or silicone accents to improve your sense of grip on your device.

## Slim, pocket-friendly design

The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

## Wrap-around protection

The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

## Covered buttons for protection

The case material covers the volume buttons, giving you push-through control while your device stays protected.
