Highlights

Dual charging

Turn one outlet into a dual-charging station! This charger has two power outlets so you can connect two of your favourite devices using their USB cables.

Power for games, movies and more

Don't let the action stop! The batteries provide the power boost you need to keep on gaming, surfing, watching movies, listening to music and more.

Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.

2 more hours (iPad)

Delivers up to 2 more hours of talk or video time
