

Philips  
Silicone case with batteries

For iPod  
touch

DLP5260

## Power, protection & grip

for a better gaming experience

More than a case, the contoured handles improve your grip for better gaming. Powered by 2 AA batteries (included), it's easy to have the extra power to keep playing longer. Take pictures by rotating the top of the case to access the camera.

### Battery powered for a boost

- Power for games, movies, surfing, music & more
- Runs on batteries for an easy power boost wherever you are

### Gripable protection

- Specialized case with handles for gaming
- Silicone adds grip and protection
- Quick and easy protection in a snap

# Highlights

## Specialized case for gaming

Protect your device in an attractive case that adds comfortable handles for improved grip and control when playing games on your device.

## Protective silicone

This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

## Power for games, movies & more

Don't let the action stop! The batteries provide the power boost you need to keep on gaming, surfing, watching movies, listening to music and more.

## Runs on AA batteries

Since it works with AA batteries which are included and easy to find, it's easy to get a power boost or have the extra power you need to recharge wherever you are.
